REMARKS

Amendments

Claims were amended to more particularly point out the claimed invention, and render the claims definite. These claims were considered allowable by the examiner in the final office action of June 20, 2003, and their current form was also considered allowable in a telephone conversation between the examiner and the undersigned on December 15, 2003.

The claims do not introduce new matter, nor do they introduce any new issues for consideration.

It is believed that all the objections and rejections raised by the Examiner have been addressed and that the application is in condition for allowance. The Examiner is encouraged to telephone the undersigned with any questions or comments regarding this response.

Respectfully submitted,

Dated: December 16, 2003
